CENTRAL CONTENTS REGISTER

I am pleased to enclose the most recent edition of the Central Contents Register.

The Register has been fully reviewed, and a number of items removed. Once again I must remind all advertisers that items appear on the Wanted/Available lists for four consecutive issues. After this **they will be deleted** unless I am notified by the named contact that the item(s) should remain.

If you obtain or dispose of any item, please inform me as soon as possible so that I can delete it from the list to avoid you receiving unnecessary letters, emails or phone calls. Please also contact me if you no longer require a copy of the Register, or would like to receive the electronic version rather than a hard copy.

I would also be grateful if Dioceses could advise me of any change in contact details.

The closing date for amendments to the July edition will be 04/07/14.

Yours sincerely
